BUCKET LIST *Villa*

PROPERTY MANAGEMENT

The BUCKET LIST VILLA agency offers you the management of your property in an “à la carte” or complete formula, depending on the needs required for the maintenance of your property(ies) and according to your expectations.

Why entrust us with your property?

Serving owners since 2008

Having managed properties on the island for 15 years, we have acquired perfect knowledge of the very specific short-term seasonal rental market for this destination.

A tailor-made or complete service offer

Creation of optimized advertisements, management of calendars and communications with the various mandated agencies, welcome booklet, reception and departure of guests, luxury concierge service.

Dedicated intranet access for total management and monitoring

Access your reservation calendars, view your generated revenues, and obtain your monthly management reports, gain visibility, and increase your revenues with access to international online rental platforms and our website.

Your property always ready and perfectly maintained

More than 30 owners have trusted us by relying on our team for the management of their villa(s); proof that we deploy all our technical, professional knowledge and our perfect experience at the service of your property(ies).

A passionate and professional team

An administrative manager per property with a telephone call, a competent and dedicated technician, a [physical agency based in St Jean](#), professional possibilities adapted to the quality of the island's properties and adaptable according to the needs of your property(ies).
